Subject: Set up EPA/MDEQ meeting regarding EPA/Aquila meeting

Hi Jenny,
I have been asked to set up a call with MDEQ including Kim and Kristi Wilson so we can summarize the meeting EPA had with Aquila yesterday.
I know everyone is at training this week, but can we fit an hour call in?

We are available:
11:30-12:30 or 4-5 PM EST Wednesday 4-18-18,
11-1 or 5-6 PM EST Thursday 4-19,
or after 11 AM EST Friday 4-20

Do any of these times/dates work for MDEQ? Feel free to propose a time, and I can send out call-in information.
If this week doesn't work, we can try for early next week. Monday afternoon is pretty open for us.

Thanks,
Melanie Burdick
